2 **Gifts, Grants and Bequests**

3

4 The school district encourages those who wish to make gifts, grants, bequests or devises
5 of property, real or personal, to the school district to make such donations through the
6 district's foundation. In its sole discretion, the board of education may accept donations
7 when they are consistent with the district's mission and objectives. When the board
8 accepts a donation, it shall become the sole property of the district. The donation will be
9 under the complete control of the board which will not have any obligation to replace it if it
10 is destroyed or becomes obsolete.
